## BenderStik™ Base Assembly Instructions:

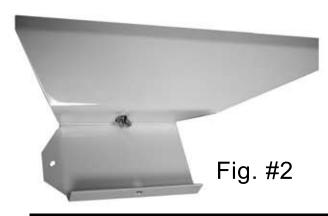

Step 1. Make sure all parts are included before assembly.

Center Base (1)

Side Supports (2)

Bolts and Wing Nuts (2)

Attachment knob (1)

Step 2. Using the Bolts and Wing Nuts, attach each side support to the Center Base, ensuring that the long edge of the support is facing away from the front of the Base, and each support is inside of the lip of the Center Base. See figures #2 and #3.

Step 3. Attach to the base using the Attachment Knob through the hole at the top of the Center Base. See figure #4.
